Pavilion dm4-2165dx Notebook PC

Leave nothing behind.

The HP Pavilion dm4 notebook gives you the performance of a powerful PC without weighing you down. Less than 1" slim and starting at 4.4 pounds, this lightweight notebook offers the latest technology with style that's sure to attract attention. If you need a PC that can keep up with you, grab the HP Pavilion dm4 and go.

Intel Core i3 2nd gen, 6G memory, 640GB hard drive, DVDRW Drive, 14'' LED Display, webcam, windows 7

Loaded, yet lightweight.

Powered by the latest Intel® Core™ processors, the Pavilion dm4 offers unbelievable performance in a thin, lightweight notebook. Carry everything you need in the spacious hard drive. With three USB ports (one shared with an e-SATA port), you'll be able to connect to all your peripherals. The built-in HP TrueVision webcam[15] with integrated dual-array digital microphones lets you video chat even in low-light conditions. Built-in HP ProtectSmart Hard Drive Protection helps prevent data loss in the event of an accidental fall. And the integrated fingerprint reader and HP SimplePass Identity Management software provide a quick, easy and secure way to access your favorite websites with a single swipe.

Features you won't want to live without include a 14.0" diagonal high-definition HP BrightView LED display.[8] When you want a larger view, the VGA port lets you connect to an external display and the HDMI port to an HD TV. With the built-in DVD+/-RW optical drive, you can enjoy movies on your PC when you're on the go or by connecting to a bigger screen at home.

- Enjoy smooth, lifelike graphics with integrated Intel® HD graphics.
- Get up to 6.5 hours of run time with the 6-cell 55WHr battery.[28a]

Travel without baggage.

The Pavilion dm4 notebook is slim and light enough to turn any table, airplane tray, or park bench into an instant workspace or playground. Designed to deliver extended battery life through power-efficient components and HP Power Manager software, you can go where you want to without plugging in. To make the best use of your time, HP QuickWeb launches the web and frequently used apps within seconds at startup. And with integrated WiFi,[10b] you never have to feel out of touch.

Just your style.

A brushed aluminum finish etched with the stream design gives the ultra-thin dm4 a modern look you'll love -- and one that won't show fingerprints. The comfortable, responsive island-style keyboard makes it stand out -- along with the generously-sized, gesture-enabled HP ClickPad that integrates the left and right buttons for a cleaner aesthetic.

Digital entertainment that moves you.

With Dolby Advanced Audio and integrated Altec Lansing speakers, you can surround yourself in sound--whether you're watching movies, enjoying tracks from your own collection and Rhapsody® within HP MediaSmart, or checking out new tunes with Pandora® InternetRadio. You'll also see the difference with high-definition content from integrated partners such as Hulu™, Netflix® and Roxio CinemaNow™.

Relax With 24/7 Support

While your PC is within Warranty, HP Care Pack Support gives you access to complimentary help whichever way you prefer:[32]

- **From your desktop:** Click the HP Support Assistant icon for quick access to preinstalled content and diagnostic tools.
- **Through the Internet:** Visit our Consumer Support Forum, available 24/7 in English, French or Spanish at www.hp.com/support/consumer-forum. In the US, go to www.hp.com/go/notebookcare.
- **By telephone:** In the U.S., call HP at 1.800.HP.INVENT (1.800.474.6836).

To continue complimentary access to support, you can extend your Standard Warranty with an HP Care Pack service. Visit www.hp.com/go/totalcare for your choice of plans. Business Week ranked HP the number one technology company for customer service (April 2009).

If your PC is out-of-warranty, you can visit the Consumer Support Forum (www.hp.com/support/consumer-forum) at no charge. You can also call 1.800.HP.INVENT (1.800.474.6836) within the U.S. (Support charges will apply.)

Each PC includes 60 days of live complimentary updates of Norton InternetSecurity 2010, HP Edition.[19b] It guards your PC, your network, your online activities and your identity with innovative, intelligent detection technologies optimized to combat today's aggressive attacks.
